## Capital Crew Boosters Club Application for Financial Aid

The Capital Crew Boosters Club is determined to ensure that committed athletes have an opportunity to participate in the Capital Crew junior rowing program, regardless of financial circumstance. The Boosters will award scholarships for Aquatic Center fees and Booster dues at the beginning of both fall and spring semesters to one member of each squad.

All applications must be submitted with supporting financial documentation to be considered. Please be as thorough as possible. All information provided is confidential and reviewed only by our board's scholarship committee. If assistance is awarded, the recipient or family member will be required to volunteer 10 hours per semester with the Boosters Club.
